Business on the landing was not very brisk.

The river at this point is rapidly receding. The fall during the past 24 hours was not less than 8 inches. The upper rivers are also going down, except the Mississippi at St. Louis, and there it is reported again on the rise. There is no news from the St. Francis or White rivers, but they were falling when last heard from—three days since. At Louis, with 5 feet 4 inches in the chute, and 4 feet 5 inches on the rocks.

Buy one subject of public importance, as it is now, touching the last infamous act of the United States, known as "the Sher.vam bill."

There is not a man in this broad state, and Mason and Dixon's line, who has aby claims at all to respectability, who does not in his heart of hearts loathe and contemn that essentially corrupt, essential vengeful and essential detestable act of congress.
